

The Bickel Family Church Planting Missionaries in

Ryan, Lauri, Deborah & Daniel
February 2007

What an exciting month! We were thrilled to go to camp this last month with a group of 35 teenagers. Of course we had a lot of fun! However, we also had a lot of preaching time. Praise God for the decisions made by these young people! We have already seen a big change in many of their lives. Glory to God for His work in their hearts!

Preaching in Spanish! During camp I was scheduled to preach for an hour in Spanish! I had preached once earlier in the month at an activity for about a 30 minutes. I must say I was

excited and nervous all at the same time. However, the biggest problem was trying to limit it to an hour long sermon. I had so much that was on my heart. I had gone from preaching at least 3 times a week to not at all while learning Spanish. I am looking forward to preaching and teaching once again no matter what language it is in!

We are thankful for souls saved! This past month God allowed us to be a part in three dear souls trusting Christ! We are so thankful for God's saving power. It is reassuring to know that even though I cannot communicate perfectly yet that it is the Holy Spirit doing the work and not myself!

Explaining how to play capture the flag!

Praise God for another month with new supporting churches! Last month we reported back about two new churches picking us up in the previous months. Glory to God, support came in from 2 additional new supporting churches during the month of January. We went from being at 92% to 95% and we still have another 2% promised. God is so good!

Thank you! We appreciate your faithful prayers and support! Also thank you for the birthday cards sent to Deborah and I this past month. Deborah turned 12 years old! We also want you to know that we love and appreciate you!

Your Servant in Costa Rica,
