

The Bickel Family Church Planting Missionaries in

Ryan, Lauri, Deborah & Daniel
March & April 2007

Praise God we have a vehicle! Thank you so much for your prayers and giving over the past few months regarding this need! This month the remainder of the money came in almost to the penny! We now have an Isuzu Trooper 4 wheel drive that seats seven people! The first weekend we put eight people in it for soulwinning and the next week we comfortably fit ten. Praise God we can use it for His work! The day God gave us this vehicle was our three year anniversary from the date we started deputation! God is so good and after 10 months of being here without a car it is a welcome blessing!

We are thankful for souls saved! These past two months God allowed us to be a part in six dear souls trusting Christ! It is reassuring to know that even though I cannot communicate perfectly yet that it is the Holy Spirit doing the work and not myself!

Opportunities to serve! Not only have we spent a good bit of time visiting and soulwinning these months but we also were busy serving in other ways. We had a senior class visit Costa Rica for their senior trip during the month of March and another is coming in April. Praise God for the opportunity these students have to meet the people here! We are praying that God will work in their hearts as far as His will for their lives! This past month God allowed me the opportunity to preach at a children's home. We took a group of young people from the church with us as well. What a joy it

was to meet these wonderful young people and spend time fellowshiping with them! We also had the opportunity to repaint the inside of the church. It is a great blessing to serve in anyway possible.

Praise God for new supporting churches!

Every month since the first of the year we have seen new churches pick us up for support. In the past two months we had two more churches start sending support. We went from being at 92% to 95% and we still have another 2% promised. God is so good!

We really appreciate your correspondence.

Please send all correspondence (other than support) to:
